(336) 724-2270

Name of Entrant: _____

Shop Affiliation: _____

Street, City, State, ZIP: _____

Phone/Fax/Email: _____

Signature of Shop Owner: _____

The first 14 entries postmarked on or before August 6, 2013, will be accepted for this competition. Contestants must be full-time employees of a wholesale florist or a voting member shop for at least six months immediately prior to the contest. Employment at a voting member's shop is not limited to the same shop within six (6) months, but a total of six (6) months employment in a member shop or shops prior to the contest is required. The member shop(s) must also be in good standing for 6 months prior to the Convention. "Full-time" is defined as twenty (20) cumulative working hours per week in a voting member retail shop or shops or a wholesale florist. All employer/employers of contestant must verify by employer/employers' signature on entry form that contestant has met these criteria. In case of extenuating conditions, such as an emergency situation requiring sudden withdrawal from competition (and due to conditions beyond control), competition will be done on site. Entrants will interpret a given piece of art with an all fresh and/or dried material floral design within a four-foot square area for display. The art piece to be interpreted will be made known to all entrants in advance, and each entrant will be responsible for all materials needed for display, including props, tables, etc. The entries will be on display to the public. Entries will be judged on interpretation, scale, color harmony and mechanics. The winner will be announced at the President's Banquet on Sunday, August 18, 2013.

A \$1,000 Scholarship will be awarded the winner for advance study in Floral Design.

Please designate address where you would like information sent (if different from above):
